Synopsis

Arts, Commerce, and Science College, Palus, organized a PM-USHA-sponsored one-day regional-level workshop on "Digital Scientific Equipment" on 13th January, 2026, with the objective of enhancing the practical and technical knowledge of students. The B.Sc. students of the Department of Zoology from Balwant College, Vita, actively participated in this workshop along with the faculty member Dr. A. K. Shinde. During the programme, students gained hands-on training and theoretical knowledge about the handling and applications of important laboratory instruments such as the centrifuge and PCR. The workshop was guided by eminent resource persons Dr. N. P. Grampurohit, Head, Department of Zoology, Savitribai Phule Pune University, and Dr. S. R. Yankanchi, Head, Department of Zoology, Shivaji University, Kolhapur, who explained the working principles, safety measures, and maintenance of digital scientific equipment. The programme was conducted successfully with the active participation and cooperation of all concerned

Objectives

To provide practical knowledge about modern digital scientific equipment.

To develop technical skills in handling instruments such as the centrifuge and PCR.

Outcomes

Students gained hands on experience in handling digital scientific equipment.

Students developed confidence in using instruments such as the centrifuge and PCR.
