Synopsis (75-100 words)

The Department of Botany, Balwant College, Vita in collaboration with Naoroji Godrej Center for Plant Research have organized presentation competition on **Climate Change** at our college on 6th March 2024. Seven students of botany department have involved in this competition. Competition begins with inauguration function followed by presentations of participated students. The evaluators assessed the presentations and awarded the ranks. The presentation on Effect of changed climate on cropping pattern in Karve village stood first while second rank to Climate change and its impact on Mango flowering. In the valedictory function the rankers have felicitated with certificated and gifts. Every participated student has issued the participation certificate. The volunteers participated have motivated to participate in similar events in near future

Objectives	Outcomes
<ul style="list-style-type: none"> • To create awareness about impart of climate change in local society. • To motivate students for thinking about changing environment. 	<ul style="list-style-type: none"> • Students have taken case study of their respected village with some problem. • Students were actively involved in discussion forum after presentations.
