2024-2025

2024-2025		
Department	Botany	
Title of the program	Tour Excursion at Sulkai Hills	
Day date time	Tuesday, 27-08-2024, 11.30 a.m. onwards	
Online link/ Offline	Offline	
Number of beneficiaries- 55 Students + 7 Teachers		
Synopsis: - Tour excursion was organized by department of Botany at Silkai Hill with B. Sc. I, II, and III students. Such types of excursions often include knowledgeable guides who can provide detailed information about the geography, flora, fauna, and cultural significance of the area. This excursion was planned to know the type local vegetation and dominant species to the students. Such group tours offer opportunities to meet and interact with local people from the area, fostering new friendships and shared experiences and increase affinities and love to the nature. Excursions create memorable moments that are often best enjoyed with others and also adding to the social aspect of travel.		
Objectives	Outcomes	
<ul style="list-style-type: none">• To add value to the travel experience by offering well-organized and thoughtfully planned tours that cater to the interests and needs of the participants.• To aware about the biodiversity of our area.• To find medicinal plants from locality and their uses as a traditional knowledge.• To know the botanically interested plants in their natural habitatas.	<ul style="list-style-type: none">• Engaging students in new and sometimes challenging activities can boost confidence and Satisfaction.• Participants often create lasting memories of the places they visit and the experiences they share, contributing to a sense of fulfillment.• Familiar with botanical terms and practical experience.	
		
Tracking towards hill	Explaining of Characters	Importance of plants
		
Plants with peculiar characters of families	<i>Semecarpus anacardium</i> Habit	At the top of hill
