Subject: Application for practical training/project work in BARC

Respected Sir/ Madam,

We are running UG, PG courses in our college successively from six decades with multidisciplinary streams. One of our students Mr. Rohit Raghunath Kumbhar is having keen interest in Nuclear Chemistry and he is eager to do the training in BARC. As per your format here is his information:

- Full name of the student as in your college ID: **Mr. Rohit Raghunath Kumbhar**
- Degree: **B.Sc.**
- Total No. of years of the degree programme: **3 years**
- Current year of study: **3rd year (5th Semester)**
- Discipline/subject: **Chemistry**
- Desirable period of training : **from 11 November to 11 February, 2024.**
- Remarks, if any:** He is good in academic. He secured good marks in B.Sc. I and B.Sc. II. He has awarded with Malhotra Foundation Scholarship, Pune which is one of the prestigious scholarship for scholar students. He has participated in two workshops organized by BARC in our college and one is in nearby college. He participates in various activities in college enthusiastically. He has focused dream to do study in BARC from his 1st year. He has much interest in Nuclear Chemistry. If he get the opportunity to do the training /project in BARC then he will gives his best and we will find one of the good researched in nuclear chemistry in future; so I highly recommend him for this training/ project work in BARC.

Kindly do the needful and oblige.

Thanking You,

Yours faithfully
