ONE PAGE REPORT OF WORKSHOP

Department	Department of Microbiology
Name of Program	Hands on Training "Techniques on Microbiology and Molecular Biology"
Day & Date	Tuesday, 02/02/2024
No. of Beneficiary	65
<p>The Department of Microbiology, Balwant college Vita Organized hands on Training "Techniques on Microbiology and Molecular Biology" on 2nd February 2024 at 11:30 AM, this workshop includes training of antimicrobial, anti-inflammatory, antioxidant activity. For this workshop total 65 students from U.G and P.G Microbiology and some research students were participated. All students learn new techniques of microbiology and molecular microbiology.</p>	
Objective	Outcomes
1 To get well versed with the basic principles of microbiology techniques.	1. Students get knowledge about different techniques used in research projects.
2 To import knowledge of techniques like antimicrobial, anti-inflammatory, antioxidant activity.	2 Students improve their practical skills.
